WOMEN'S SEMINAR

In an evolving agricultural landscape, having the right financial tools and market insights is essential for success. **Join FCS Financial for a day dedicated to sharpening your skills and connecting with Missouri's leading women in agriculture.**

From deep dives into 2026 commodity forecasts with Mary Kay Thatcher to mastering the "soft skills" of leadership with Mark Stewart, this seminar is designed to help you navigate your operation with clarity and purpose.

8:30 AM - 2 PM
