

2022 Ag Seminar

JOIN US FOR A DAY
OF LEARNING AND
NETWORKING

THURSDAY, SEPTEMBER 8

Locust Creek Event Center
414 West Lockling
Brookfield, MO 64628

Register by August 24

Mike Murphy is the Chief Operating Officer at CattleFax and remains active in the cattle industry on his own ranch. He will give insight into the current state of the cattle industry and provide his outlook for what's coming.

Allyson Perry, speaker for the Center for Food Integrity, has been immersed in protein agriculture her entire career. She will provide insight into CFI's latest research and outlooks for protein, specifically as it relates to beef.
